

## DR. ENG. MOHAMED IBRAHIM AL ALI

Human Resources Manager  
DUBAI GOVERNMENT HUMAN RESOURCES DEPARTMENT  
Dubai Government

## PROFILE

With only one desire guiding me which is to be a useful resource to my country – the United Arab Emirates I chose my education journey and my career path and today with the skill of creative mind, cognitive mind skills I am happy to transfer the knowledge acquired over the years with strength and the reasoning to value oneself as one's innate self has the needed intelligence and we continuously reap growth and achievement when we connect with our inner self
